"How it pours, pours, pours,  
In a never-ending sheet!  
How it drives beneath the doors!  
How it soaks the passer's feet!  
How it rattles on the shutter!  
How it rumples up the lawn!  
How 'twill sigh, and moan, and mutter,  
From darkness until dawn."

# *Building Dedication*

Saturday, September 27, dedication ceremonies were held for the Doane Health Center, Manser Dining Hall, and Will George Butler Center.

To each man is given a marble to carve for the wall: A stone that is needed to heighten the beauty of all; And only his soul has the magic to give it a grace, And only his hands have the cunning to put it in place.

*Edwin Markham*

They are fond of strange words, and of rhyming and metrical tricks . . . They are also, at least on the surface, light-hearted and frivolous, though sometimes one may uneasily suspect that more is meant than meets the eye.

*Athletics*

It's hard to say anything more for the great effort put forth by this year's Mountaineer Football Squad. The greatest tribute we can pay these men would be by publishing the record they compiled and offer our thanks for a job well done . . .

Football champion, West Chester, with eight selections, dominated the Coaches' All-Pennsylvania team. Mansfield, however, produced the Coach and the Quarterback of the Year.

Bernie Sabol, the man who gave Mansfield its first winning season in several years, received 6 of 12 votes possible as Coach of the Year. Under Sabol's capable guidance, the Mounties reversed last year's 2-7 record to an impressive 6-3.

Quarterback Stew Casterline edged Edinboro sophomore Al Raines as Back of the Year by a 4 to three vote.

District 19 N.A.I.A. Champs  
Pennsylvania State College Champs  
Area 8 N.A.I.A. Runner-up

"Solid hitting," says Coach John Heaps, "was the key to the Mountaineers' great season." Two "Hot Bats" really put the charge in the '70 Mounties. The Mansfield State College baseball team, the District 19 N.A.I.A. Champs, swept through the district double-elimination tournament with three straight victories.

The four-hit shutout pitching of Stew Casterline and the hitting of Tom Purnell and Lebro Menichetti highlighted the win over St. Marys State. Tom Cassell, Brent Watson and Menichetti drove in the runs to give Bob Diliberto his eighth straight victory over Salisbury in the quarter finals. It was all Hagadorn in the finals. The big righthander fanned 17 batters and allowed only four base runners as he pitched the second no-hitter of his college career and the second of the season for the Mounties. Menichetti, who drove in 5 runs in the games, put this one out of reach with bases loaded – double in the 5th. Joe DeSanto banged out four hits in the final game.

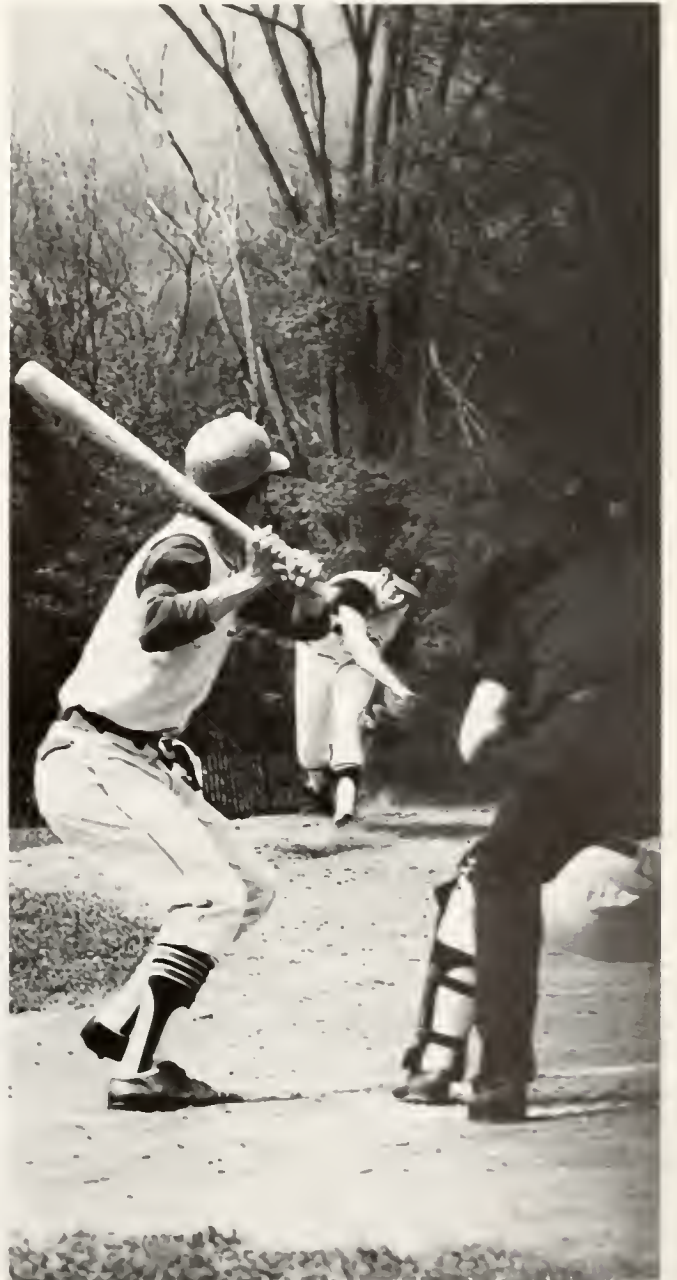

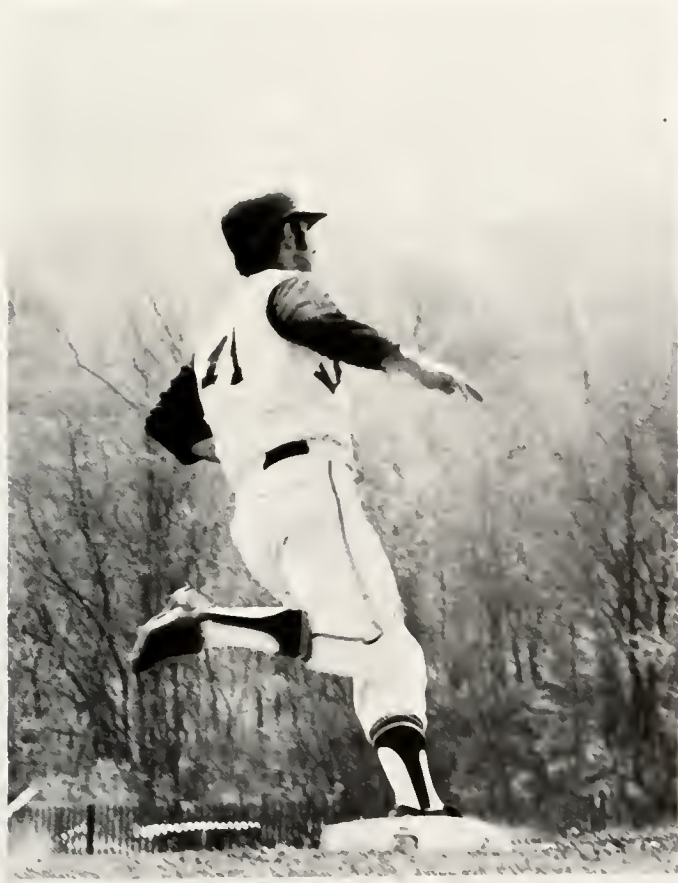

Statistics tell the story of the Mounties unbelievable 24-4 record. A .330 team batting average and a 2.54 earned run average just about assured success. Individual "stats" are even more impressive.

Joe DeSanto, 2B	.417 batting average 40 hits
Tom Purnell, 3B	.411 batting average 20 R.B.I.'s
Lebro Menichetti, Lf	.388 batting average 25 R.B.I.'s
Stew Casterline, Rf/P	.367 batting average 4 victories/as pitcher
Dave Kline, 1B	.301 batting average 41 total bases
Brent Watson, Cf	.297 batting average hit in 17 consecutive games
Tom Cassell, SS	.292 batting average 25 stolen bases
Bob Diliberto, P	9 victories – 0 defeats .56 earned run average
Dave Hagadorn, P	5 wins – 1 loss no hitter in District finals

These nine men, along with catchers Gary Waksmunski and Tom Shaughnessy, have spearheaded the Mounties' effort. Jerry Wahl, Paul Lingenfelter, Larry Twyford, Phil Sweet, Jeff Baum and George Howanitz, rounded out the squad that has been the most successful baseball team in Mansfield's history.

# Track and Field

## Track 1970

MSC's track record was 2-6. Although a lack of depth and people in the field events hampered team efforts, the performances of some individuals were outstanding.

Steve Jeroleman set a new 880 yd. school record 1:58:9 and finished second in the State meet.

Steve Jeroleman, Steve Cianfarano, Jim Healy and Rich Weakland set a new record of 3:28:9 for the mile relay.

Dave Moody, freshman sprinter, tied the 100 yd. dash mark.

A sepia-toned photograph of a golf course. In the foreground, there are dark, leafy bushes. The middle ground shows a wide, open green with a golfer standing on it. In the background, there are rolling hills and a line of trees under a clear sky.

# Golf

It is almost impossible to remember how tragic a place  
the world is when one is playing golf.

They look from their window and what do they see? mud, construction, North Mall and its tropical forests, sophomore's with group leader sweatshirts, the cafeteria . . . Four years of hard work and fun ahead!

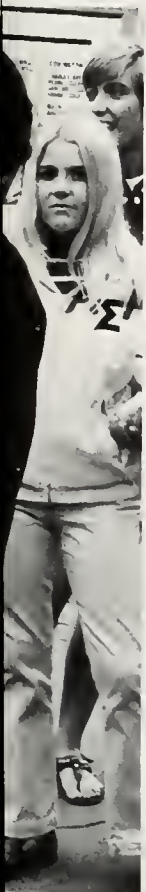

This is the Frosh's first impression of dear old MSC. After a while they will get to know the real things that MSC has for them: work and lots of it, shopping trips to Mansfield proper, getting to know all the professors, course 13 in the growing and use of weeds, trips to New York, and, of course — NO PARENTS!

*Row two:* Dave Wilson, Thea Poelzing, Deborah Foster.

Delta Phi Alpha, a national German honorary fraternity, seeks to recognize excellence in the study of the German language and to provide a goal for high scholarship.

Their aims are the promotion of the study of the German language, German literature, and German civilization. Emphasis is placed on those aspects of German life and culture which are of universal value to man's eternal search for peace and truth.

Gamma Theta Upsilon is an honorary professional fraternity recognizing ability and accomplishments in the field of geography. The fraternity is a source of loans and scholarship funds, and provides an opportunity for enrichment through lectures, films, or slides at informative bi-monthly meetings.

#### PRESIDENT'S MESSAGE

This *Carontawan* will probably be one of the most important of your reminders of the Mansfield experience. It has been printed at an unusual period for our country, whose problems have reached every campus, our own not excluded.

Who of us has not been troubled by the continued involvement in Southeast Asia and wondered about the developing conflicts of the so-called radical left or right and the "silent majority"? We have been concerned too about the problem of drug misuse, and we have read about and watched violence in the streets and on other campuses. Some of us have seen expressions of the "new morality" in behavior and language and we wonder what importance this has for the future. All of the above and more continue to be a part of your education and they are not particularly comforting elements of life.

Your commencement speaker posed the question when he asked, "Beginning or End?" It really is up to you from here on; like it or not, you will represent the future establishment. Those of us at Mansfield who may have helped you with the knowledge and skill to deal with these life problems in some reasonably effective way wish you well – for all of us.

If of all words of tongue and pen,  
The saddest are, "It might have been,"  
More sad are these we daily see:  
"It is, but hadn't ought to be."

at the end of our exploring, we arrive  
at the same place and know it for the  
first time.*
